Members are the lifeblood that keeps HIMSS viable and growing. You more than anyone can best speak to the benefits, information and opportunities that are a part of membership.

We need your support to recruit new members.

Please encourage your peers to join HIMSS. When they sign up, we ask that you please send an email to david.greenway@baptist-health.org so that you will receive proper credit for that member. Also, make sure that they list your name when asked "how did you learn about HIMSS."

Please direct them to <http://www.himss.org/ASP/membershipHome.asp> to learn about all of the different member categories. If they have questions they can call (312) 664-4467 option 2, option 8. There is also a membership application accompanying this flyer.
